**To:** Troxel, Paul@CalOES <paul.troxel@caloes.ca.gov>, Jones, Donald@CalOES <donald.jones@caloes.ca.gov>, Mattson, Andrew@CalOES <Andrew.Mattson@caloes.ca.gov>, Jason Bivens <jason.bivens@911authority.com>

**Subject:** initial draft of items to request of RNSPs

Requests of RNSPs

- continue to support PSAPs during the transition period
- OES retains equipment necessary to transition with minimal impact to PSAPs. OES proposes to compensate RNSP \$2000 for the following
  - Rack
  - PDU
  - UPS
- Actively participate in planning sessions with statewide network provider and CalOES
- Do not renew or extend any circuit contracts without concurrence/approval of CalOES
- At PSAP sites that are not transitioned for Voice service and have 2 or more circuits, decommission circuits to leave only a single circuit to adequately deliver location services to the PSAP. That decommission plan must be presented to and approved by CalOES prior to decommissioning any circuit
