SUBSCRIBER understands and agrees that 100% coverage of any area at all times is unrealistic and improbable. Testing and experience with actual field conditions indicate adverse propagation conditions can occur from both natural and man-made conditions. SUBSCRIBER understands and agrees that such events are beyond the reasonable control of Cal OES/PSC.

SUBSCRIBER further understands and agrees that Cal OES/PSC is not providing a warranty of coverage for the CRIS.

7. TALK GROUP PRIORITY

SUBSCRIBER understands and agrees that it may experience limited or no access to the CRIS during an emergency talk group activation. To ensure that first responders have access to the system during normal and emergency situations, talk group access has been prioritized as follows:

- 7.1. Priority One - Emergency Identification

7.1.1. An "Emergency Identification" is defined as the message received when a public safety member calls for immediate assistance by activating an emergency button or switch on the user radio equipment.

- 7.2. Priority Two - Public Safety

7.2.1. "Public Safety" includes the normal, daily radio transmissions of law enforcement, fire service, paramedic providers, and disaster preparedness personnel using the CRIS. Agencies generally considered non-public safety, but support law enforcement and fire response agencies on a regular basis such as California Department of Transportation (DOT), shall be considered as Public Safety in regards to traffic prioritization.

7.2.2. "Public Safety" also includes the CRIS users whose typical lower priorities have been temporarily changed to resolve an unusual occurrence or large scale disaster.

7.3. Priority Three - Non-Public Safety, Special Event

7.3.1. "Non-Public Safety, Special Event" includes planned events involving public service agency participants that are beyond the scope of their normal daily operations.

7.4. Priority Four - Non-Public Safety, Regular

7.4.1. "Non-Public Safety, Regular" includes the normal daily radio transmissions of public service agencies using the system.

8. USE AND EXPANSION OF TRUNKED RADIO SYSTEM

8.1. Cal OES/PSC may, at its sole and exclusive discretion, provide trunked radio system services to other entities through the CRIS. SUBSCRIBER understands and agrees that Cal OES/PSC may entered into other service agreements to provide trunked radio services to certain public safety and non-public safety Subscribers and intends to expand the number of users by entering into new agreements in the future. SUBSCRIBER also understands and agrees that Cal OES/PSC will expand the area covered by the CRIS to improve system performance in the future.

8.2. Cal OES/PSC agrees that any expansion of the system will not diminish the ability of SUBSCRIBER to use the CRIS.

9. WARRANTIES

Cal OES/PSC warrants that its management and operation of the CRIS will comply with reasonable and standard industry practices.

10. AGREEMENT TERM - AUTOMATIC RENEWAL

10.1. The term of this Agreement shall be for one year or for the portion of the year commencing on the Effective Date of this Agreement and shall automatically renew on July 1st each year thereafter. 10.2. The rates, charges, and fees due and payable by SUBSCRIBER for any annual extension shall be the same as those during the preceding term unless Cal OES/PSC notifies SUBSCRIBER of any changes in the rates, charges, or fees. If, after such notification, SUBSCRIBER does not terminate this Agreement and allows it to automatically renew, charges for the next term shall be at the new rates, charges, and fees set out by Cal OES/PSC in its notification prior to the automatic renewal date.

11. INTERRUPTION OF SERVICE

11.1 Except for actions required by this Agreement, Cal OES/PSC shall not be liable to SUBSCRIBER or any other person for any loss of service or damage resulting therefrom, regardless of the cause. Cal OES/PSC does not assume and shall have no liability under this Agreement for failure to provide, or delay in providing, service due directly or indirectly to causes beyond the control of Cal OES/PSC or its subcontractors, including, but not limited to, acts of God, acts of Governmental entities, acts of the public enemy, strikes, or severe weather conditions. In the event of any failure or delay attributable to the fault of Cal OES/PSC or its subcontractors, SUBSCRIBER agrees that its sole remedy shall be limited to a credit for loss of service.
