Nonprofits	National Voluntary Organizations After Disaster website	http://www.nvoad.org	National VOAD, an association of organizations that mitigate and alleviate the impact of disasters, provides a forum promoting cooperation, communication, coordination and collaboration; and fosters more effective delivery of services to communities affected by disaster.
Plans	Best Practices for County Emergency Plans	https://www.caloes.ca.gov/wp-content/uploads/Preparedness/Documents/Planning-Best-Practices-for-County-Emergency-Plans-draft.pdf	AB-2968, signed into law on 9/29/20, amended California Government Code section 8593.9 and required Cal OES to develop best practices for counties developing and updating a county emergency plan, by January 1, 2022. This document aims to meet the requirements of that law.
Preparedness	California Preparedness Platform	California Preparedness Platform (Cal PreP) (arcgis.com)	Cal OES's California Preparedness Platform (Cal PreP) provides daily situational awareness of potential impacts to California. The primary audience for the Cal Prep is Cal OES response personnel and local, tribal, state and federal supporting partners. The contributing data are from various sources including the California State Warning Center's Daily Operations Report, Cal EOC, California Department of Water Resources (DWR), National Oceanic and Atmospheric Administration (NOAA), and the National Weather Service (NWS).
Preparedness	Listos	www.listoscalifornia.org	Listos California engages a statewide network of community-based organizations, Tribal Governments, and Community Emergency Response Teams across the state to boost resiliency, provide accessible in-language information and advance a new culture of disaster preparedness. Free materials in many languages that you can use and share to promote disaster preparedness in your home and community.
