 - Approving RFIs
 - Batching by EHP issue

CWMP Framework

- Version 1 draft revisited
 - Additional technical reviews
 - Restructuring and formatting
 - Additional Appendix reviews
 - Citations/reference reviews

CAL FIRE Update

Continued to provide technical assistance to San Diego County Fire and NCO pilot communities with the initiation of defensible space treatments and home hardening retrofits for their first homes.

Assisted Siskiyou with preparing scope of work documents for their defensible space-only program.

Conducted a meeting on June 5th with CWMP pilot community assessors to solicit feedback on the program assessment application.

Acquired pre-home hardening and defensible space treatment drone video for the NCO Kelseyville Riviera Project
