EVENTS AND RESOURCES

July 2023

[Recovery & Resilience Resource Library](#)

- FEMA developed the Recovery and Resilience Resource Library in collaboration with our federal interagency partners to navigate the numerous programs available to the United States and its territories to help recover from a disaster
- The resources are intended for state, local, territorial and tribal (SLTT) governments, as well as nonprofits, businesses, healthcare institutions, schools, individuals and households. The tool helps users to find and research federal disaster recovery resources that would be beneficial in pre-disaster recovery planning or in the wake of a disaster

[Planning Guides | FEMA.gov](#)

- Accomplished properly, planning provides a methodical way to engage the whole community in thinking through the lifecycle of a potential crisis, determining required capabilities and establishing a framework for roles and responsibilities. It shapes how a community envisions and shares a desired outcome, selects effective ways to achieve it and communicates expected results
- A shared planning community increases the likelihood of integration and synchronization, makes planning cycles more efficient and effective and makes plan maintenance easier

[Disaster Resource Identification Fact Sheet \(fema.gov\)](#)

- This fact sheet provides recommendations and resources for jurisdictions to conduct disaster resource identification, includes recovery resources, guidance for how to search for disaster recovery resources, and recommendations for disaster resource management

[All In The Federal Strategic Plan to Prevent and End Homelessness.pdf \(usich.gov\)](#)

[Recovery Resource Roadmap | FEMA.gov](#)

- The Recovery Resource Roadmap is a federal interagency collaborative effort to provide a tool for state, local, tribal, and territorial (SLTT) partners navigating the complex post-disaster funding landscape.
- Use the interactive web tool to filter federal funding resources by interested applicant, resource category, and recovery challenges

[Community Recovery Management Toolkit | FEMA.gov](#)

- The resources in this toolkit are geared toward helping community leaders through the long-term disaster recovery process and are intended to be useful at any phase of recovery

[Identify Recovery Programs and Resources to Support Needs, Plans and Projects | FEMA.gov](#)

- Community Recovery Management Toolkit
- After a disaster, a wide variety of funding becomes available for affected communities.
- Success in disaster recovery requires local government and partner community organizations to look comprehensively at recovery needs, set goals, and match those needs with the broad landscape of available federal, state, and non-governmental resources
