Supportive  
Services for  
Veteran Families  
\(SSVF\) Program](#)

[Sea Level Rise  
Adaptation  
Grant Program  
\(Track 2\)](#)

#### **Deadline: February 10, 2026**

Community Planning and Capacity Building (Planning) grants provide up to \$500,000 per project to help communities plan for clean, equitable transportation solutions. These grants support early-stage planning, outreach, workforce development, and local readiness – especially for Tribal governments, rural communities, schools, and first-time applicants.

#### **Deadline: February 12, 2026**

The NEA welcomes applications from first-time and returning applicants; from organizations serving rural, urban, and tribal communities of all sizes; and from organizations with small, medium, or large operating budgets. Applicant organizations must have completed at least five years of arts planning and must have had an operating budget of at least \$20,000. The NEA has produced several reports on the arts' benefits for health and wellbeing, including strategies for addressing the opioid crisis, engaging older adults, and social-emotional development in early childhood.

#### **Deadline: February 19, 2026**

With total funding of \$855 million, the VA will award an estimated 200 grants to private and nonprofit organizations that provide supportive services for very low-income veterans residing in or transitioning to permanent housing. The VA considers applications from rural and tribal communities, as well as U.S. territories, a priority for grant distribution.

#### **Deadline: February 20, 2026**

Provides funding to support nature-based sea level rise adaptation projects on the Outer Coast and in the San Francisco Bay. Eligible projects must be identified as a priority in a completed or in-progress sea level rise adaptation plan, coastal resilience plan, or other comparable land-use planning effort, with an exception for strategic relocation projects.

# Grant & Loan Opportunities Cont.

## [FY 2025-26 Listos California Grant](#)

**Deadline: For All Opportunities; February 23, 2026**

To support multiple organizations and locations within California including Tribal, Coastal, Inland, and Southern CA to increase communities' disaster preparedness, response, recovery, and mitigation capabilities. Estimated available funding and number of awards is dependent on the program, please click on the link to the left to find out more information!

## Events

### [Western Region Leadership Institute: Empowering Public Health and Primary Care Leaders](#)

**February 3, 2026 - March 12, 2026**

**Location:** Virtually

This leadership program develops public health and healthcare professionals through a holistic, evidence-based approach grounded in adaptive and practical leadership. Participants build core skills in self-awareness, emotional intelligence, communication, team dynamics, systems thinking, and advocacy. Participants will strengthen personal leadership, create high-performing teams, and drive organizational improvement, preparing them to navigate complex public health and healthcare environments while supporting staff retention.

### [Hiring A Contractor Workshop](#)

**February 7, 2026, from 10 AM - 12 PM**

**Location:** Altadena, CA

A free workshop offering important tips to those rebuilding their homes from the Los Angeles County Department of Consumer and Business Affairs, Los Angeles County District Attorney, and California Contractor's State License Board about hiring the right contractor, protecting your consumer rights, avoiding scams, financing your project, and understanding mechanics liens.

### [Spring-Run Juvenile Production Estimate Independent Peer Review](#)

**February 24, 2026, from 9 AM - 5 PM**

**Location:** Sacramento, CA

California Department of Water Resources (DWR), the Delta Science Program is facilitating an independent scientific peer review of the Chinook salmon spring-run juvenile production estimate (SRJPE), which forecasts the number of young salmon entering the Sacramento-San Joaquin Delta on their way to the Pacific Ocean.

### [Housing California 2026 Conference](#)

**March 18-20, 2026**

**Location:** Sacramento, CA

Registration is officially open for the 2026 Housing California Annual Conference, taking place March 18-20 at the SAFE Credit Union Convention Center in Sacramento. This year's event is expected to draw more than 2,800 leaders committed to advancing homes, health, and prosperity for all Californians. For registration types, pricing, agenda details, group registration options, and more, visit the conference website on the link above.
