

SAP CSTI Online Evaluator Course Guide

Please follow these instructions to take the course. **If you already have a CSTI account, start from step 3.**

*(PS use an alternative browser to "Internet Explorer" for best results. Chrome, Safari, Firefox all seem better)

1. Go to <https://csti-ca.csod.com>
2. Click on the **Register** box and enter requested information to create an account.

3. Log onto CSTI at ([Be Ready – Train CSTI](#)).
4. Select the **Browse Training** box.

5. Scroll down and select **Safety Assessment Program Training for Evaluators**

Safety Assessment Program Training for Evaluators

Online Class • Safety Assessment Program - Training

The SAP Evaluator course introduces and defines the Safety Assessment Program. It includes the SAP online Evaluator Training course and the SAP online Evaluator Test. Both must be completed to receive a certificate. This course focuses on the following topics: Unit 1: Program... [read more](#)

6. Select the **Request** button.

- No approval is needed to take the Cal OES SAP training.
- The training is free to take.
- Once the final quiz is complete, you will be prompted to register for the Safety Assessment Program through Veoci. You must complete the registration to receive an SAP ID/Certificate of Completion.
